Guidance when making a claim

Claim Notification

Conditions that apply to the policy and in the event of a claim are set out in your policy booklet. It is important that you comply with all policy conditions and you should familiarise yourself with any requirements.

Directions for claim notification are included under claims conditions. Please be aware that events that may give rise to a claim under the insurance must be notified as soon as reasonably possible although there are some situations where immediate notice is required. Further guidance is contained in the policy booklet.

Claims conditions require you to provide us with any reasonable assistance and evidence that we require concerning the cause and value of any claim. Ideally, as part of the initial notification, you will provide:

- Your name, address, and your home and mobile telephone numbers
- Personal details necessary to confirm your identity
- Policy number
- The date of the incident
- The cause of the loss or damage
- Details of the loss or damage together with claim value if known
- Police details where applicable
- Names and addresses of any other parties involved or responsible for the incident (including details of injuries) and addresses of any witnesses.

This information will enable us to make an initial evaluation on policy liability and claim value. We may, however, request additional information depending upon circumstances and value which may include the following:

- Original purchase receipts, invoices, instruction booklets or photographs
- Purchase dates and location of lost or damaged property
- For damaged property, confirmation from a suitably qualified expert that the item you are claiming for is beyond repair.

Sometimes we, or someone acting on our behalf, may wish to meet with you to discuss the circumstances of the claim, to inspect the damage, or to undertake further investigations.

Preferred Suppliers

We take pride in the claims service we offer to our customers. Our philosophy is to repair or replace lost or damaged property, where we consider it appropriate, and we have developed a network of contractors, repairers and product suppliers dedicated to providing claim solutions.

Where we can offer repair or replacement through a preferred supplier but we agree to pay our customer a cash settlement, then payment will normally not exceed the amount we would have paid our preferred supplier.
